\* The numbers of applicants, admits, and enrollees for any ethnic category with fewer than five applicants do not show data so summing the student count by ethnic groups will not total the university-wide count. Also counts by ethnicity may be masked to protect student privacy. The numbers of applicants, admits, and enrollees for any ethnic category with fewer than five applicants are shown as a blank. To avoid calculation of a redacted cell, the “unknown” category is shown as a blank if any other category is redacted.
