GENERAL EDUCATION REQUIREMENTS

Effective Fall 2007 through Summer 2008

De Anza College offers two associate degrees, the Associate in Arts (A.A.) and the Associate in Science (A.S.). In order to obtain either degree, you must complete between 31-42 General Education (GE) units and additional unit requirements in your major. The number of units required for a major will vary from program to program. To qualify for the associate degree, you must complete a total of 90 units including General Education, major, and, if needed, elective courses of your choice.

The General Education subject areas listed within the left column below reflect De Anza College's associate degree requirements. However, to support your transfer to the University of California and/or California State University, you should also complete the requirements listed under the Intersegmental General Education Transfer Curriculum (IGETC) or CSUGE Breadth. See pages 48 and 49 for approved course lists.

Transfer students in high unit majors may be advised to focus on the requirements for the major and completing minimum admissions

requirements instead of concentrating on completing IGETC or CSUGE Breadth requirements.

Once you complete the IGETC or CSUGE Breadth, the requirements for your major, and any transferable electives necessary to bring your total units to 90, plus earn the required GPA for that school, you may qualify for both De Anza's associate degree and for transfer to a university. (See the following pages for a listing of courses that meet De Anza's GE, IGETC and CSUGE Breadth requirements.) The associate degree is not required for transfer.

Students who want to transfer may elect to complete the specific General Education-breadth requirements of the transfer institution they select.

The University of California, Berkeley College of Letters and Science Breadth requirements are listed separately on pages 45 and 46.

Please see the following Web site for more information: www.deanza.edu/transfer/

Essential Skills/Breadth Requirements 2006-2007

The following summarizes the breadth requirements for the B.A./B.S. Degree in the College of Letters and Science at UC Berkeley, and lists the De Anza College courses that count toward satisfaction of those requirements. **Check the UC Transferable Course Agreement (www.ASSIST.org) for limitations on De Anza courses accepted.**

These requirements are not valid for other colleges of the University of California, Berkeley (e.g., Chemistry, Engineering, Environmental Design, Natural Resources), or for other University of California campuses. See a counselor or academic adviser for further assistance.

I. Requirements to be completed prior to transfer with junior standing

If you have completed 90 or more transferable quarter units, you will be applying for admission as a junior, and you will not be considered for admission unless you have completed the requirements outlined below. For admission, requirements must have been completed by the end of the Spring term prior to Fall transfer.

A. Essential Skills

There are three essential skills requirements: Reading and Composition, Quantitative Reasoning and Foreign Language. All courses used to satisfy these requirements must be taken for a letter grade.

1) Reading and Composition:

- a) Complete EWRT 1ABC at De Anza with letter grades of “C” or better. (Courses may *not* be taken for P/NP.)
EWRT 1A + EWRT 1B = Berkeley’s English 1A

- b) 5 on the AP Exam in English Literature & Composition; OR
c) 5 on the IB Higher Level Exam in English Language A1 credential exam; OR
d) C or better on the GCE “A” Level English Exam.

You may satisfy the *first half* of this requirement with a score of 4 on the AP Exam in English Literature & Composition, or a score of 4 or 5 on the AP Exam in English Language & Composition.

2) Quantitative Reasoning:

- a) Complete one of the following courses at De Anza with a letter grade of “C” or better: MATH *1A, 1B, 1C, 1D, 2A, 2B, *10, 11, *12, 22, *23, (49A and 49B), CIS *21JA, *26A, 26B, 27, 28. (Course must be completed with a letter grade of “C” or better; it may *not* be taken for P/NP.)

OR receive a score/grade of:

- b) 600 on the SAT Reasoning Test; OR
c) 520 on the Level II Exam, if taken May 1995 or later; OR
d) 570 on the Level I Exam, if taken between 1995 and spring 2005; OR
e) 28 on the ACT; OR
f) 3 or better on the AP Exam in Calculus AB or BC; OR
g) 3 or better on the AP Exam in Computer Science; OR
h) 3 or better on the AP Exam in Statistics; OR
i) 5 or better on the IB Higher Level Math Exam; OR

B. Preparation for the Major

The instructions on this sheet specify only the breadth requirements of the College of Letters and Science. In addition, most majors require specific prerequisite courses which should be completed during the first two years of college in order to continue in that major during the junior year. Failure to complete these prerequisite courses will often result in denial of admission to the major of your choice, or if admitted, may lengthen the time required to complete the bachelor's degree. The student should consult www.ASSIST.org and the UCB catalog for articulated major course requirements.

II. Additional Breadth Requirements

The following additional requirements must be completed prior to graduation from UC Berkeley. It is to your advantage to complete as many of these courses as possible while at DAC. This will enable you to devote the proper amount of time to your major and other required upper division courses while in the College of Letters and Science at UC Berkeley.

A. American History and Institutions

This requirement may be met as follows:

- 1) High school grade of "C" or better in one year of U.S. History OR (1/2 year of U.S. History and 1/2 year of U.S. History); or
- 2) If requirement was not satisfied in high school, by completion of (HIST 17A and 17B) or (HIST 17B and 17C) or POLI 1 at DAC.

B. American Cultures Requirement

This is a requirement for all UC Berkeley students. You may satisfy this requirement by passing one Berkeley American Cultures course or one of the following De Anza courses, with a grade of "C" or "Passed." American Cultures courses may also be used to satisfy other Berkeley requirements. **POLI 15, 16, SOSOC 15, 16, WMST 15, 16**

C. Seven Course Breadth**Guidelines:**

- Requirements must be met with courses—no AP or IB Exam credit.
- Courses may be taken for a Grade ("C-" or better) or P/NP (if P means "C-" or better).
- Courses must carry a minimum of two semester units.
- Courses from one's major department may be used.
- Not more than two courses offered by the same department may be used.
- Courses used for breadth credit may not also be used to meet the Reading and Composition, Quantitative Reasoning and Foreign Language requirements.

The seven courses must be distributed among the following areas of study. **ONE COURSE MUST BE TAKEN IN EACH AREA.**

III. Transfer Requirements

In general, a student who has (1) completed at least 90 UC transferable units with a 2.4 GPA; (2) satisfied the minimum admission requirements (I.A above); and (3) completed the prerequisite courses for the intended major may be considered for transfer to the College of Letters and Science. However, to be competitive for admission, most majors require a GPA ranging from 2.8 to 4.0.

Check with UCB departments for information on competitive GPAs.

No more than 105 quarter units will be applied toward the total bachelor's degree unit requirement, although course content credit will be given for all applicable transferable courses completed.

Effective: Fall 2007 through Summer 2008.▲

<p>Completion of requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. REQUIREMENTS FOR ALL AREAS MUST BE COMPLETED BEFORE TRANSFER. For good cause, a student may be partially certified if deficient in no more than two courses, with the exception of courses in Area 1 and 2 (admission requirements) which must be completed before transfer. If partially certified, the student has the option of completing the one or two remaining courses at a community college or at the transfer institution before the beginning of the second year of transfer. ALL COURSES MUST BE COMPLETED WITH GRADES OF "C" OR BETTER. A COURSE MUST APPEAR ON IGETC IN THE YEAR IT IS SATISFACTORILY COMPLETED. See a counselor/academic advisor about UC majors, colleges, and professional schools which do not accept IGETC, and for other transfer requirements. Upon enrollment in final requirements, students must submit a request for certification to De Anza's Office of Admissions and Records. Forms are available in Admissions, Counseling and at www.deanza.edu.</p>
