	Energy - COAA & Degree PLO_2	Students will demonstrate an understanding of energy management principles, laws of thermodynamics, effective design of energy systems and a sustainable society utilizing energy management systems.	
	Energy - COAA & Degree PLO_3	Apply the concepts and techniques stated in PLO 1 & PLO 2 to statewide case studies to develop strategies and implement effective energy management systems.	

Unit Name	Program Level Outcome (PLO) Name	Program Level Outcome (PLO)	Related ICC
	Energy - COAA & Degree PLO_4	Identify and interact with the key stakeholders in energy management / climate policy including the public, government and resource agencies, and industry, nonprofits and others to enhance global, cultural, social and environmental well-being.	
	Environmental Resource Management and Pollution Prevention Program PLO_1	Students will demonstrate the ability to communicate and apply the elements, principles and practices involved with Environmental Resource Management and Pollution Prevention.	
Dept - (BHES) Health Technologies	Business Office Clerk-Certificate of Achievement PLO_1	Upon completion of the Certificate of Achievement in Business Office Clerk, the student will be eligible to be employed in this Allied Health Career at a medical facility.	
	Insurance & Coding-Certificate of Achievement PLO_1	Upon completion of the Certificate of Achievement in Insurance and coding, the student will be eligible to be employed in this Allied Health Career and pass the National Certified Coding Associate Examination.	
	Lab Assisting-Certificate of Achievement PLO_1	Upon completion of the Certificate of Achievement in Lab Assisting, the student will be eligible to be employed in this Allied Health Career and pass the National Phlebotomy and EKG Certification Examinations. .	
	Medical Assisting-A.A. degree & COAA PLO_1	Upon completion of the A.A. Degree in Medical Assisting, the student will be able to pass the CA State CMA Certification Examination.	
	Medical File Clerk-Certificate of Achievement PLO_1	Upon completion of the Certificate of Achievement in Medical File Clerk, the student will be eligible to be employed in this Allied Health Career at a medical facility.	
	Medical Reception-Certificate of Achievement PLO_1	Upon completion of the Certificate of Achievement in Medical Reception, the student will be eligible to be employed in this Allied Health Career at a medical facility.	
	Medical Records Clerk-Certificate of Achievement PLO_1	Upon completion of the Certificate of Achievement in Medical Records Clerk, the student will be eligible to be employed in this Allied Health Career at a medical facility.	
	Medical Secretary-Certificate of Achievement-Advanced PLO_1	Upon completion of the Certificate of Achievement-Advanced in Medical Secretary, the student will be eligible to be employed in this Allied Health career.	
	Medical Transcriptionist-Certificate of Achievement PLO_1	Upon completion of the Certificate of Achievement in Medical Transcription, the student will be eligible to be employed in this Allied Health Career at a medical facility.	
	Phlebotomy Technician I-Certificate of Achievement PLO_1	Upon completion of the Certificate of Achievement in Phlebotomy Technician I, the student will be eligible to be employed in this Allied Health Career and pass the National Phlebotomy Certification Examinations.	
Dept - (BHES) Medical Laboratory Technician	Medical Laboratory Technology Program	The program prepares its students to pass the national MLT certification examination which is needed to obtain a CA MLT license.	
Dept - (BHES) Nursing	Associate Degree Nursing Program	Graduates will be able to pass the professional licensure exam for Registered Nurse (NCLEX)	Communication and Expression
			Critical thinking

Unit Name	Program Level Outcome (PLO) Name	Program Level Outcome (PLO)	Related ICC
			Global, cultural, social and environmental awareness
			Information literacy
			Physical/mental wellness and personal responsibility
	Associate Degree Nursing Program PLO_2	Graduates will be able to provide competent nursing care as a novice RN in multiple healthcare settings	Communication and Expression
			Critical thinking
			Global, cultural, social and environmental awareness
			Information literacy
			Physical/mental wellness and personal responsibility
